BFUA Fitness Coordinator

The Ballarat Football Umpires Association offers this rare and exciting opportunity to appoint a highly motivated, enthusiastic and suitably qualified individual/s to assist with the fitness training of umpires across the AFL Goldfields region.

The BFUA is a Community focused organisation and one of the State's premier Umpiring Associations with current membership of around 350. The BFUA has a considerable presence across three Leagues in the AFL Goldfields Region and a reputation for the development and support of Umpires across age and gender.

The BFUA seeks expressions of interest for the following position for the 2020 season and beyond.

Fitness Coordinator

The Fitness Coordinator position would offer the successful applicant an opportunity to work with a robust and mature organisation, with an opportunity to develop their own skills in a supportive environment.

The expectation of the Board is that the successful applicant will manage a fitness program that is specific for umpires to ensure they are meeting the physical demands of umpiring as well as ensuring they remain injury free throughout the season.

Please note the BFUA Board are willing to consider dual applications should any member/s wish to share the duties of the role.

Applications should be emailed to scott@aflgoldfields.com.au by **COB Monday 20th January 2020.**
